

WOODMEN OF THE WORLD CONVENTION MAY 19

The district convention of Woodmen of the World will meet in Redwood City next Wednesday, May 19, in Alhambra Hall. There will be from 175 to 200 delegates from the eighth district, which includes the coast counties from Del Norte on the north to Santa Clara on the south. The officers and members of Embarkadero Camp, Redwood City, have all arrangements completed and everything in readiness for the reception and entertainment of the large delegation which will begin to arrive here between 9 and 10 o'clock Wednesday morning. County Recorder Clark Rice and Camp Clerk George W. McNulty are the committee in charge of an auto trip which has been scheduled to take the delegates on a sightseeing tour to Stanford, Palo Alto and the Flood place, leaving Redwood at 11 a. m., and returning at 12:45 p. m. for a noonday banquet at Tony's Cafe, which has been arranged by Consul Commander Miles A. Sharkey and Past Consul U. G. Jones, John Layng, John E. Cowgill and H. W. Jamieson are also of the reception committee. Owing to the fact that a large number of the delegates who will visit Redwood City this year were also delegates to the Eureka convention where the Redwood delegates were so lavishly and royally entertained by almost the entire population of Humboldt county, we hope that Redwood City will break all previous records in making the stay of our visitors of the Woodmen pleasant and delightful. From all reports the prospects are very flattering.

WALTER L. BARNES QUIETLY PASSED TUESDAY EVENING

Walter Lincoln Barnes, second eldest son of Mr. and Mrs. J. B. Barnes of this city, passed away here on Tuesday, May 10, 1920, following a lingering illness.

He was a native of Portland, Ore., aged 17 years. He was a perfect type of young manhood and had he lived would have made a name for himself in the world. Young Barnes was active in the younger set of this city and was very popular with his associates. He was an accomplished musician, playing the violin and mandolin with skill displaying wonderful talent.

At the age of 15 he endeavored to enter the army to fight for the flag, but was rejected, owing to his age. This was a great disappointment to the young man, for he would have liked to have gone to France to fight for his country.

Rev. Mr. Thomas of the Methodist church paid a deserved tribute to the deceased at the services held in the parlors of the Redwood City Undertaking Company on Thursday afternoon. Interment was in Alta Mesa cemetery.

The following associates of the young man in life were pallbearers: Newell Sharkey, Joseph Hahir, Edwin Smith, Ward Hahir, Melvin Polard, Geo. Tinney, Jr., Fred Walker. Many beautiful floral pieces from Redwood City, Menlo Park, Oakland, Burlingame, Palo Alto, San Mateo, San Jose and other peninsula points covered the casket and grave.

THE WEEK'S EVENTS IN LOCAL CIRCLES

There is to be a big change in the local grammar school faculty during the coming term. It is said that no fewer than six teachers will not return next year. It is noised about that not a few of the number are to become brides while others are seeking other places to become principal. The great and growing demand for teachers will be a problem for all trustees to solve. Young women are now taking up commercial pursuits instead of wielding the rod in school rooms.

A large government observation balloon came down the bay Wednesday, remaining for some time at the Dumbarton bridge making observations of the surrounding country. For some time it has been known that the government is looking for a location to establish a dirigible field in this vicinity and it is thought that the presence of the big balloon is for the purpose of testing the air currents and locating a suitable site.

Anyone desiring Chautauqua tickets may have same by calling at this office. A limited number are on sale. Call and secure your ticket before the supply is exhausted.

The new Pacific Gas and Electric Light Company's building on Broadway will be completed today and it is to be turned over to the owners next week. Gus Waller, the contractor, is to be congratulated upon the good workmanship shown on the structure. The new building has cost the owner \$20,000. It is modern in every way and is a credit to the city and to the contractor.

J. E. Layng, the undertaker, will return from Los Angeles today from a two weeks' visit to the sunny southland. Owing to the fact that he departed without telling his friends or confiding in anyone, the rumor has started that he will return with a fair bride. His numerous friends are awaiting with bated breath to learn the true state of affairs.

The Capital Market on Broadway will reopen under the name of the Central Market on Wednesday, May 19. Thomas Hind, the proprietor, has fitted up the market in an elaborate manner so that it is the most attractive market on the peninsula. He is to carry a choice line of meat and promises his patrons the very best of service.

Deputy Sheriff James P. Coleman returned from Reno, Nev., on Wednesday with George Gundelfinger, who was arrested there last week on a warrant issued here. The prisoner was a patient at the base hospital and is charged with taking a watch and ring from another inmate and fleeing to Nevada. Gundelfinger saw service in France.

Lambert & Walter, the realty brokers, have sold the N. W. Plida home at 1032 Broadway to Merton Hughes, the manual training instructor at the San Mateo high school. They have also sold 13 acres of land on the Alameda de las Pulgas on the Woodside road near the Menlo Park Country Club to Mrs. Josie Lynam, who will erect a handsome home later.

In celebrating the nineteenth anniversary of the United Cigar Store the management of the Redwood City branch on Main street will present 12 certificates with each even dollar purchase to its patrons today.

Mrs. Rose Carrington, who spent county, for a visit to old time the winter months at Hotel Sequoia, departs today for Dixon, Solano friends.

Lucius Williams departs today for Elko, Nev., to become superintendent of one of the ranches of the Pine-gree Live Stock Company, which concern specializes in large herds of cattle and hogs. It is the largest concern of its kind in Nevada.

Charles Cloud will leave tomorrow for his home in Aberdeen, Wash. He was a delegate from Gray's Harbor Commercial Club of that city to the foreign trades convention in San Francisco. He was also here on a visit to his mother and brother. This was Mr. Cloud's first visit to his boyhood home in twenty years. While here he met many of his schoolmates and former friends.

HUDNER GIVES ADJUDGMENT FOR CENTURY MUSIC CO.

Judge John Hudner of Hollister on Thursday rendered a decision in the case of the Century Music Company against D. P. Flynn and others giving judgment to plaintiff against defendant Carl Muller for \$1000 for the bowling alley in the Flynn Muller, McCarty building on Main street. The case was conducted by Schneider as a motion picture and bowling alley. When Schneider left the plaintiff came to remove the alley and was prevented from doing so by Muller. In a former decision Judge Hudner held that the alley was not the property of Flynn, at all, but belonged to the Century Company. The company brought suit for a large sum against the defendants, but the judge decided in favor of the defendants.

W. R. SCHNEIDER'S CALLED BY DEATH

William R. Schneider, president of the Peninsula Meat Company and for many years a prominent business man of San Mateo county, passed away late Monday afternoon after an illness of several months. His death was not unexpected, as his physicians abandoned all hope for his recovery several weeks ago.

Mr. Schneider was born in Switzerland 56 years ago and had been in the Peninsula Meat Company for about 35 years. He first located in Menlo Park and then came to San Mateo, taking employment with the Price market, which conducted a meat business in San Mateo in the early days. He then formed a partnership with John H. Coleman under the firm name of Coleman & Schneider, and the firm operated markets in San Mateo and Belmont. Later Coleman retired from the business and Schneider formed the Peninsula Meat Company, which now operates in San Mateo, Burlingame and Belmont.

SALARIES RAISED FOR HIGH SCHOOL TEACHERS

The trustees of Sequoia Union High School held an important meeting at the high school building last Saturday afternoon. The salaries of all the teachers were substantially raised. The male teachers will hereafter receive the sum of \$2400 a year, while the women rod welders will get from \$1800 to \$2000. The principal, Mr. McCrea, will receive \$3250. The raise will amount to about \$4000 a year. It had to be met, for to secure able instructors tempting salaries had to be offered.

Miss Inez Matthews, who has taught algebra and general science in the school for some time past, will sever her connection with the institution at the end of the term to accept a position with the Oceanside high school in San Diego county. Her place has been filled by the appointment of Miss Belle Matteson of Runnymede, a graduate of Stanford, who has taught in the Santa Clara high school.

Miss Edna Truman, who has been the domestic science teachers since that department was organized in the high school some years ago, will also leave the school at the end of the present term. Her successor has not yet been appointed.

There may be other changes in the faculty before the termination of the term. However, the greater part of the present faculty will be retained.

LANDING INSPECTED

A government inspector of the aerial mail service was here from Washington yesterday examining the Redwood City aviation field with a view of purchasing it for use as a transcontinental station for the mail service. A bill is about to pass in congress whereby the mail is to be carried by air from the east to San Francisco. Owing to the prevailing fogs in the city the planes could not always make a landing, so it is proposed by the government to have a field in this vicinity. Should the local field be purchased, large repair shops and hangars would be erected here.

PASSING OF MRS. J. C. NASH

Many friends in Redwood City of the late Mrs. Mary Frances Nash, relict of the late J. C. Nash, attended the funeral of the pioneer lady at San Mateo on Monday last. She passed away last Saturday after a long illness. Mrs. Nash never fully recovered from the shock caused by the death of her son, Joseph H. Nash, nearly a year ago.

Mrs. Nash was one of the most highly esteemed ladies in San Mateo county and her loss will be keenly felt by all who knew her and loved her for her gentle ways. She was always to the fore in every movement looking to the progress of the community in which she lived. Her life was spotless, free from guile. She lived for her family and friends. Her noble life should act as an inspiration to all.

The pallbearers were County Probation Officer Francis T. Rapp; Joseph Stewart of San Rafael, Al Fitzgerald of San Mateo, John Walsh of Santa Cruz, Walter Getchel of San Francisco, all nephews, and William Delchanty of Burlingame, a nephew by marriage.

Following the services at the church the casket, which was covered with a mass of beautiful flowers, was conveyed to St. John's cemetery, San Mateo, where interment place.

Mrs. Nash was a pioneer woman of San Mateo county. She was the wife of the late John C. Nash and mother of Clement J. Nash, Frank J. Nash, Mrs. Alden Stevenson and the late Joseph H. Nash. Mrs. Thomas Fitzgerald of San Mateo is a sister. The members of the bereaved family have the sympathy of the entire community.

CITY ATTORNEY KIRKBRIDE WEARS "SONNY" SMILE

City Attorney Charles N. Kirkbride of San Mateo is wearing a "sonny" smile that won't come off, and there's a good reason for it. Mrs. Kirkbride presented him with a fine baby boy Friday morning last at the Red Cross hospital, where both she and the baby are progressing splendidly. Mrs. Kirkbride was Miss Mabel Goode before her marriage to Major Kirkbride about a year ago.

OLD COTTAGE IS MOVED

The old Handley cottage on Winslow street was sold by the Fox-McNulty Lumber Company during the week to Thomas Stott, who is moving it to his property in the Robinson subdivision. The old structure is to be remodeled and transformed into a modern bungalow. It is a old relic of the past. In the fifties it was moved from the northern part of town to where the railroad station now stands and was the first school building in Redwood City. Later it was moved to its present location. Among the pupils who attended the school there were P. H. McEvoy of Menlo Park, Chase Littlejohn and John F. Ford of Redwood City. The greater portion of the pupils who attended the school at that time are long since passed to the great beyond.

ADDITIONAL LOCALS

Mary Toplain, a resident of this city for some time, died on May 9 and was buried from the James Crowe Company's chapel on Thursday. Interment was in Union cemetery. She was a native of Armenia, aged 29 years.

John Stowe, the lawyer, is here interesting dairymen in the new Henry Blair patented pail. He is from San Ardo. Mr. Stowe is stopping for a few days with his brother, Professor Frank Stowe of the Lick school of San Francisco. Both young men are sons of the late Rev. William Stowe, formerly of Menlo Park.

PIONEER LADY PASSES AWAY

Mrs. Mary Elizabeth Hanson, the beloved pioneer woman of Redwood City, passed peacefully away at her home at 316 Main street at 11:30 o'clock on Thursday night, surrounded by her family. While her death was a great shock to her family and friends her passing was not wholly unexpected, as she had been ill for nearly a year.

Mrs. Hanson was the widow of the late Albert Hanson and a daughter of the late James Hilton, one of the early residents of Redwood City. Mrs. Hanson passed away in the house in which she was born.

She was a graduate of the Academy of Notre Dame at San Jose and was a classmate of Mrs. S. T. Fox of this city and Miss Eliza Greer of Palo Alto and others now living on the peninsula.

The funeral will take place from her late residence, 316 Main street, this afternoon at 2 o'clock. The remains will then be taken to Mount Carmel church, where services will begin at 2:30. Interment will be in Holy Cross cemetery, Menlo Park.

Mrs. Hanson's life was pure and unselfish, she lived for others and to do good was her motto. She was generally admired and respected by all for her unceasing kindness and consideration of others. To know her was to love her. Mrs. Hanson leaves many warm friends and admirers who will cherish her memory as long as life lasts.

Mrs. Hanson is survived by three daughters, Miss Pauline Hanson, Mrs. Viola Poole and Miss Laura Hanson. Mrs. Hanson resided in Redwood City all her life. She had numerous friends throughout the county who will be pained to learn of her demise.

CHAUTAUQUA GUARANTORS HAVE ORGANIZED

A meeting of the members of the local committee who have pledged themselves to guarantee the sale of 600 season tickets for the Ellison-White Chautauqua coming to Redwood City May 26 was held in the Chamber of Commerce rooms Monday evening. A large number of the 100 guarantors were present and much enthusiasm prevailed.

There has been no raise in the price of admission tickets this season. Season tickets for adults, if purchased from the committee, are \$2.50 with 10 per cent added for war tax. High school tickets are \$1.50 and those for children \$1 with the war tax added.

The Chautauqua will open on Wednesday evening, May 26, at the same place as last year, grounds between Walnut, Stambaugh and Maple streets, and will continue for 7 days, ending Tuesday night. According to the advance program that has been sent to the local committee, a great treat is in store for the people of Redwood City and vicinity during the week of the Chautauqua meet. The list of lecturers, entertainers and musical companies to be presented during the seven days' assembly promises one of the best programs ever offered Chautauqua audiences.

Tickets on sale at the office of the Times-Gazette.

SUES TO FORECLOSE

John Dix, through his attorneys, Rodgers & Smith of Palo Alto, has brought foreclosure proceedings in the superior court against Arthur G. Muzzy and M. E. Muzzy. The property on which the mortgage is to be foreclosed consists of 31 acres of land at Runnymede and the amount sought to be recovered is \$225.55, a balance due on the purchase price of the property. Defendants have paid \$11,000 on the land. Some weeks ago, while in a fit of despondency, Mr. Muzzy disappeared and his present whereabouts cannot be ascertained, although a thorough search has been made for him throughout the state by his relatives.

YOUNG WOMAN IS CALLED SUDDENLY

Mrs. Cornelia Ingram, who came here with her husband from South Dakota last January, passed away rather suddenly at her home on Whipple avenue Monday morning. She was taken ill on Friday and complications rapidly set in which were the cause of death.

Mrs. Ingram, who was only 21 years of age, was the wife of Elmer Ingram and the only daughter of Mr. and Mrs. Ernest Tucker of this city. She was a very estimable young woman and during the short time that she had resided in this city had made many friends, all of whom heard with sincere regrets of her passing. Besides her sorrowing husband and parents she leaves four brothers, three of whom are living in the east and one in this city.

Out here it is the belief that Hiram is a pretty good sort of fellow, a constructive statesman, not a mere politician, as many of the Hoover papers have been asserting. It would be superfluous to enumerate what was accomplished by the legislature when Johnson was governor and urging the members on in the work. We know about it very thoroughly.

Hoover's friends made an unfortunate campaign. Their actions were of the kind that tend to embitter factional strife. Had they followed the action taken by the candidate him

SAN CARLOS ITEMS
JOHN E. COWGILL, CORRESPONDENT

Mrs. J. H. Wilms of Lodi and her daughter, Miss Dorothy, from Mills College, were week end guests of Mrs. Charles B. Marvin.
Don't forget the time and place of the American Legion dance, 8:30 to 10:30, at the new schoolhouse, San Carlos. Come and join in patronizing our service boys and at the same time get your moneys' worth.

John W. Lind, master mechanic for the Southern Pacific Milling Co., with territory Salinas to Oxnard, came up for a week end visit with his parents, Mr. and Mrs. George W. Lind.

R. P. Hurlbut, the contractor and builder, who has recently remodeled the old Roussel home for the owner, Miss Victoria Roussel, and transformed the old building into a modern, up to date suburban apartment house with all the latest conveniences, and also completed two six-room bungalows for Miss Roussel and a 7-room bungalow for George Roussel, has been awarded the contract for the construction of an elegant country home for Mr. Nelson of San Francisco at Sunny Slope, near the Spring Valley company's pumping plant, San Carlos.

Mr. and Mrs. V. J. Coley and Master Jack, Mrs. Coley's mother, Mrs. M. Grube, from Oakland, who were week end guests at the home of Mrs. George Lind, Mrs. Grube's sister, were joined by Mr. and Mrs. J. J. Mitchell and Master Jimmy, Jr., for a week's auto outing in the Santa Cruz mountains.

H. J. Brown, traveling auditor for the Pacific car demurrage bureau, was here last Monday to check the demurrage books at the Southern Pacific station. Mr. Brown succeeded Louis Lait, who covered this territory for many years and who rendered himself very popular with the Southern Pacific agents. Mr. Lait is now with the California Packing Corporation in the San Francisco office.

Miss George Mae Smith, a student at the Dominican College, San Rafael, was a week end guest at the home of her aunt, Mrs. Charles B. Marvin.

The Southern Pacific agent in receipt of a bulletin making train No. 31, westbound, due at San Carlos at 3:27 p. m., a flag stop for Sunday only. This will prove a great convenience to the many home buyers who come to San Carlos and want to catch an early train home on Sundays.

In appealing to the shippers to make every effort possible to load cars to their full capacity and unload promptly in order to take every advantage of the limited equipment, the railroad companies have this to say: "If ever there was a time when transportation conditions imperative demanded that shippers and receivers of freight should, for their own interest and even their own salvation, co-operate to the utmost with the railways in securing the most efficient possible use of railroad facilities, that time is now. Even if normal conditions with respect to the handling of freight traffic existed, it would be impossible for the railroads with their present facilities to handle all the business that would be offered to them. Almost the only possible way in which the amount of freight transportation the railroads can haul can be increased is by securing the movement of every ton of freight possible with every car that is available. The amount of freight that can be moved with existing facilities is absolutely dependent upon how much freight can be loaded into every car and how many miles a day every car can be made to travel."

In the endless chain campaign for membership which the representatives of the National League of Postmasters recently launched through the local press of the state the whole hearty response has been most gratifying and the friendly co-operation and the liberal support which the local papers have lent to the movement for the underpaid third and fourth class postmasters of the state is greatly appreciated by the 1700 men and women of California who handle their publications from year to year, and the state president of the organization desires to take this means of sincerely thanking the newspaper people on behalf of the members of the association for their liberality at a time when it was made most effective. He writes to which we have reference and which appeared in this column in the Redwood City Times-Gazette and Mayfield News, has now been copied by one or two papers in nearly every county in the state. We also desire to thank the station agents and telegraph operators who are members of the Order of Railroad Telegraphers who have so generously given of their time and effort toward the success of this movement. The representatives of the State Rural Letter Carriers' Association have also been of great assistance in a mutual co-operative movement to both organizations and have very kindly extended honorary membership in their organization to the president of the national league of postmasters. As evidence of the great necessity upon the part of the postal employees of the government to start a concerted movement for the purpose of im-

INHERITANCE TAX PAID

H. C. Tuchen, representing J. S. Chambers, on Thursday turned over to P. P. Chamberlain, county treasurer, the sum of \$262 secured from Martha J. Smith as inheritance tax from the estate of Martha Kreger, who died at San Carlos on August 14, 1915. Prior to her death Mrs. Kreger deeded her property at San San Carlos, San Francisco and other places to her niece, Mrs. Martha J. Smith. This was an apparent evasion of the inheritance tax and it was so held by the state controller. He designated Mr. Tuchen to collect the amount due and this Mr. Tuchen did after considerable work. Mrs. Smith beside her inheritance tax paid the sum of \$60 interest on the amount due.

BAR ASSOCIATION

ACTS ON DISBARMENT

Some time ago the supreme court refused to disbar Attorneys O'Connell and Riccardi on the ground that the cases were on appeal. The court stood four to three. Judge Lennon wrote the dissenting opinion holding that the attorneys might be suspended during the appeal and if the higher tribunal confirmed the lower court the accused would be disbarred and if a reversal was secured the ban could be raised. The bar associations of the bay counties and Los Angeles have taken up the matter and have petitioned the supreme court for a rehearing. On Thursday the local bar adopted the following resolutions:

"Resolved, that the San Mateo County Bar Association join in the petition of the bar association of San Francisco for rehearing in the disbarment cases of O'Connell and Riccardi, and that the name of this association, George C. Ross, President, be affixed to such petition."

I. Franklin Swart, secretary of the San Mateo County Bar Association, do hereby certify the above and foregoing to be a full, true and complete copy of an original resolution unanimously adopted by the San Mateo County Bar Association at a meeting of said association held on the 29th day of April, 1920, as appears on the minutes of said association now in my possession as such secretary.

Dated this 29th day of April, 1920.

FRANKLIN SWART,
Secretary.
